

WE NEED YOUR HELP

New SOAR Center in Yerevan!

The Center will be a non-residential facility that provides economic assistance, grief counseling, academic tutoring, job placement, and other support services to families of soldiers killed or severely injured in battle.

The overarching goal of the Center is to offer compassionate and holistic support to spouses, children, and families grieving from their loss.

Help us make it a reality!

ABOUT US

The Society for Orphaned Armenian Relief (SOAR) provides humanitarian relief to orphaned Armenian children and adults with disabilities throughout the world.

Working with a trusted network of in-country staff and a cadre of global volunteers, SOAR provides this institutionalized population with the same educational and social opportunities as their non-institutionalized counterparts while simultaneously facilitating family empowerment, deinstitutionalization, and reunification.

There will be no rain date. If inclement weather cancels the golf tournament, the gourmet dinner will go on as scheduled. All golfers will receive a rain check to play at MCC at their convenience.
