Creation and Management

George S. Yacoubian, Jr. began his adoption process in 2005. Throughout that spring and summer, he went through home study and various levels of domestic governmental approval. While in Armenia visiting the Our Lady of Armenia Center Summer Camp, he saw Liliانا for the first time. George submitted his dossier to the Armenian government that fall, received preliminary approval in December, and obtained final approval the following March. Liliانا arrived in the United States on April 23, 2006.

The Society for Orphaned Armenian Relief (SOAR) was established in the fall of 2005 as a nonprofit organization that provides humanitarian relief to orphaned children living in Armenia. In early 2006, an experienced Board of Directors was assembled, a network of Partners in Armenia was recruited to assist with distributions, and the web site was launched. In 2009, a National Board of Trustees was created to annually review SOAR's fiscal operations and distributions.

Represented by 115 Chapters and 6 Junior groups worldwide, SOAR supports 38 institutions throughout the world. Some volunteers are parents of adopted Armenian children; others simply recognize the significance of SOAR's work and want to help perpetuate its mission. The common bond among them all is the recognition that orphaned Armenians represent the most vulnerable population of Armenian society.

Quality Control

SOAR has a strict quality control protocol to assure that all donations, in their entirety, reach the intended recipients. This protocol has five essential elements:

1. SOAR rarely makes cash distributions directly to the orphanages. Rather, goods and services that can be procured in Armenia are purchased by SOAR's Partners and distributed directly to the orphanages.
2. It implements chain-of-custody procedures for any distributed goods or services, providing assurance that these items have been received by the orphanages in the exact quantity intended. These procedures have three steps:
 - a. Partners sign for the shipments and/or attest to the type and quantity of goods or services procured in Armenia. This invoice includes an exact description of the type and quantity of goods and services.
 - b. The recipient orphanage's director signs this same invoice, indicating that the exact type and quantity of goods and services received is the quantity indicated.
 - c. Both invoices are mailed to SOAR's Executive Board Chairman.
3. SOAR Partners, Yerevan Chapter members, and other volunteers who visit Armenia make random inspections of the orphanages. Any distribution discrepancies are to be reported immediately to SOAR's Executive Board Chairman.
4. When possible, goods donated or services provided by SOAR are engraved and/or stamped with a corporate seal. Capital projects are acknowledged with a dedication ceremony and plaque.
5. A zero-tolerance policy for fraud, theft, and/or deception is imposed. Any malfeasance would result in the termination of assistance.

Saint Theresa's Little Flower Orphanage (Azizie and Meydan) is the House of Providence. After the 1915 Genocide, the Armenian Sisters of the Immaculate Conception stood responsible for the displaced and served as comforting and caring “mothers” for the lonely Armenian orphans. In 1936, “The Providence Orphanage” (Nakhakhnamootian Doon) was founded in the Syrian region of Azizie and was a haven for 300 orphaned children. Before March 2011, the orphanage housed up to 35 girls who lived in an environment of peace and who attended regular school. Because of the war and the unrest in Aleppo, many of the Armenian orphans could no longer stay at The Providence Orphanage. Some live in Meydan, a very poor Armenian section in Aleppo, and attend Zvartnotz School, while other orphans live in Azizie and attend Zanabek, the other Armenian school run by the Armenian Sisters of the Immaculate Conception.

Shengavit Kindergarten is the only one of its kind in Armenia. The students, who stay overnight Monday through Friday, are children whose families live in extreme poverty or which have histories of abuse, domestic violence or alcohol or drug addiction. Although some children return home on the weekends, approximately 150 stay at the school full-time.

S.O. Khach Orphanage in Syria has been a family for more than 90 years. Before March 2012, the children lived in the Telil area of Syria. In March 2012, the children moved to a beautiful new facility in the Sis Hamaliren region. Unfortunately, due to civil unrest, the children moved to the Aram Manoogian Community Center in September 2012. The children are cared for by a couple who live with them full-time. There are currently 14 boys and girls living in S.O. Khach Orphanage, ranging in age from 8 to 19 years old.

SOS Children's Villages' Armenian Charity Foundation (Idjevan and Kotayk) is a child-centered organization whose core mission is to provide care and development for children without parental care and children in difficult life circumstances. In 1990, SOS Children's Village in Kotayk opened its doors for children who had lost their parents in the earthquake. It was the first SOS Children's Village in any former Soviet republic. SOS Children's Village in Idjevan was founded in 2009. Presently, SOS Children's Villages in Armenia operate a wide range of child care and family strengthening community and educational activities.

Conclusion

The Society for Orphaned Armenian Relief (SOAR) was established in the fall of 2005 to provide humanitarian relief to orphaned Armenian children and orphaned Armenian adults with disabilities. SOAR's long-term goal is to provide orphaned Armenians throughout the world with the resources fundamental to their physical, emotional, and intellectual development.

In calendar year 2017, the Albert Tamberchi Foundation distributed \$87,500 to SOAR to support the construction of a winter garden at Dzorak Care Center; renovation of four rooms at Gyumri Social Childcare Center (GSCC); bathroom renovations at the Orphanage of Fridtjof Nansen; construction of a culinary arts room at Vardashen; construction of a pottery training workshop at Kharberd Orphanage; renovating a classroom at Nubarashen; purchasing a minivan for GSCC and the Community Development and Social Childcare Center (CDSSC); and renovation of the gymnasium at Vardashen.

SOAR is extremely thankful for the emotional and financial support it receives throughout the world and extends its heartfelt gratitude to The Albert Tamberchi Foundation for its generosity in 2017. The desire to improve the lives of orphaned Armenians is the bonding element among our supporters. If you have any questions about SOAR, the institutions we serve, or this report, please contact George S. Yacoubian, Jr., at (610) 213-3452 or by email at gyacoubian@soar-us.org.
