

WE NEED YOUR HELP

Armenian Evangelical Boarding School (AEBS)

AEBS is in Ainjar, Lebanon, and is home to 82 healthy social orphans between the ages of 4 and 18.

The girls' building at AEBS is in desperate need of renovation.

They have reached out to SOAR seeking our help in getting these renovations done so the girls can sleep and live in a healthy, safe space that feels like home.

Help us make it a reality!

ABOUT US

The Society for Orphaned Armenian Relief (SOAR) provides humanitarian relief to orphaned Armenian children and adults with disabilities throughout the world.

Working with a trusted network of in-country staff and a cadre of global volunteers, SOAR provides this institutionalized population with the same educational and social opportunities as their non-institutionalized counterparts while simultaneously facilitating family empowerment, deinstitutionalization, and reunification.

There will be no rain date. If inclement weather cancels the golf tournament, the dinner buffet will go on as scheduled. All golfers will receive a rain check to play at MCC at their convenience.
